

Local volunteers who offer a helping hand to anyone who would welcome it.

Need a lift to a doctor's appointment, club meeting or a social event?

Struggling to manage around the house?

Can't get to the shops for essentials?

Need a prescription collecting?

Like someone to join you for a walk or to pop in for a friendly chat over a cuppa?

Volunteers Needed

Have you got:

- A car?
- A bit of spare time (especially during working hours)?
- Enthusiasm to help out with a volunteer group doing genuinely valuable work in the local community?

If so, you might like to consider joining the Isle of Wedmore Good Neighbours.

We are a group of local volunteers who give lifts to medical appointments, social and community events, help with tasks around the house, run errands to local shops, collect prescriptions or just drop in for a friendly chat over a cuppa – anything a good neighbour would be happy to help with.
